Cumberland Township Ordinance 2-2008: Property Maintenance

Section 305.3.2 - Containers

The operator of every establishment producing garbage shall provide, and at all times cause to be utilized, approved leakproof containers provided with close-fitting covers for the storage of such materials until removed from the premises for disposal.

Cumberland Township Ordinance 7-1999: Building and Property Identification

Section 3. Property Owner Display Requirements

The property owner of every residence, mobile home, apartment building, business, or other structure (hereinafter referred to as "structure") of any description whatsoever shall post and display the legally assigned number assigned to said premises by the Township (hereinafter referred to as "number") within 60 days after enactment of this ordinance.

Section 4. Minimum Size of Posted Numbers

The minimum size of the posted number upon any structure shall be three (3) inches in height, unless the same shall be attached to a postal box, post, or curbstone located within ten (10) feet of the right of way line of the street or road upon which the said structure is located, in which case the minimum height of such posting shall be (1) inch.
